I. THE MISSION STATEMENT OF THE INSTITUTE

1. RUSI was founded in 1831 by the Duke of Wellington and his senior colleagues.
2. The Charter of Incorporation of 22 February 1860 for the Royal United Services Institute for Defence and Security Studies states that the purpose of the Institute is:

The Promotion and Advancement of Naval and Military Science and Literature

The mission statement below explains this purpose for a modern setting.

3. As an independent charity, RUSI produces evidence-based research and convenes events on defence, security and international affairs to help build a safer UK and a more secure, equitable and stable world. RUSI scholars debate and discuss critical issues, anticipate future trends and promote practical solutions for complex policy challenges. Through its convening power and membership, RUSI brings together a diverse range of actors from the public and private sectors, as well as individual members, to contribute to the public benefit by addressing national and global concerns.

Members of the Institute: Individual

5. Applications for Membership shall be open to all, but shall be subject to acceptance by the Council of Trustees. The Council of Trustees shall delegate this function to the Director-General, other than by exception. Neither the Council of Trustees nor the Director-General shall be under any obligation to disclose their reasons for rejecting an application.
6. All individual members shall normally pay an annual subscription, on the scale established by the Council of Trustees. An exception to this rule will be made for those who were already Life Members as of 1 January 2016 and others at the discretion of the Director-General.
7. Individual Members shall have the right to vote at a General Meeting so long as their subscription dues are up to date.

Members of the Institute: Corporate and Diplomatic

8. Any organisation or company (other than the diplomatic bodies covered by paragraph 10 below) may apply for Corporate Membership on terms and conditions as laid down by the Council of Trustees. Corporate Members may appoint nominees at their discretion, up to the number of nominees to which they are entitled by their annual subscription.
9. Corporate Members shall have the right to vote at a General Meeting. Each Corporate Member shall have the right to cast a single vote at a General Meeting irrespective of the number of nominees allocated to it.

Expulsion of Members and Revocation of Titles

13. If any Member of the Institute shall contravene these Bye-Laws, or behave in a manner that, in the opinion of the Director-General, means that it is no longer desirable that the membership continues, the Director-General shall have the power to terminate the membership. The Director-General shall be under no obligation to disclose the reasons for such a decision.

2. The Council of Trustees is accountable to the Membership of the Institute, and all its members are elected at the Annual General Meeting or Special General Meeting.

Voting will take place on an 'accept' or 'reject' basis for each individual nominee. Those Nominees who receive more 'accept' than 'reject' votes will be elected.

3. The Council of Trustees shall appoint a Nominating Committee in order to provide advice to it in relation to its own nominations and co-options for the positions of Chair, Vice-Chair and elected members. The Council of Trustees will be responsible for deciding on the number of vacancies which are to be filled at each Annual General Meeting, taking into account the provisions of paragraph 17 below. The Nominating Committee will be responsible for reviewing the diversity, skills and experience needed for these positions and recommending those individuals who, in the opinion of the Committee, would best fulfil those needs.
4. The Nominating Committee will prepare a List of Nominees for each vacant position (Chair, Vice Chair and other elected members of the Council of Trustees). The List, together with a CV for each person, will be sent to members of the Council of Trustees at least one week before the meeting at which they will discuss what recommendations to make in relation to co-option and nomination for these positions.
5. The Chair and Vice-Chair of the Council of Trustees can only be elected at the Annual General Meeting or Special General Meeting.
6. Notice of nominations for new members of the Council of Trustees, including nominations from the Council of Trustees, shall be given in writing to the Director-General at least 28 days prior to the date appointed for the Annual General Meeting or Special General Meeting. Nominations (other than those from the Council of Trustees) should be signed by a proposer and at least three seconders, all of whom shall be individual Members.
7. A notice of all nominations for election to the position of member of the Council of Trustees shall be posted on the website of the Institute at least 14 days before the date of the Meeting at which an election is to be held, and will include a short CV for each person who has been nominated. The notice will also be posted at the Office of the Institute and be distributed to members through electronic and other appropriate media, and a copy made available on application to the Director-General.
8. The Council of Trustees shall have the sole authority to recommend appointments to the positions of Chair and Vice-Chair of the Council of Trustees. These appointments will be subject to confirmation by a majority vote at the Annual General Meeting or Special General Meeting, and they shall serve for five years from the date of that meeting.

After receiving the List of Nominees from the Nominating Committee, the Council of Trustees may decide to co-opt new elected members to the Council of Trustees between Annual General Meetings on a *pro tem* basis. 16. To the extent practicable, Terms of Office of all other Trustees shall also be staggered. Therefore, in any given year an equal proportion of these Trustees will end their terms, and it will be the responsibility of the Council of Trustees to manage this process and to establish the number of vacancies to be filled in any given year on this basis. If required to create such balance, the Council of Trustees, by a two-thirds majority, can modify the term of office of individual trustees by an increase or decrease of their individual term by one or two years.
