

UK PROJECT ON NUCLEAR ISSUES

UK PONI Annual Conference 2022

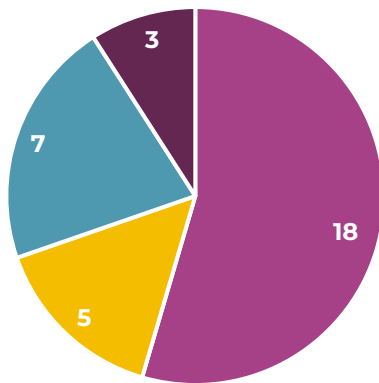

Presentation Proposal Demographic Information

Proposal Submissions

UK PONI is determined to increase diversity in submissions and presentations at its Annual Conference. This year, UK PONI received **33** presentation proposals. These are more diverse in terms of gender and affiliation compared to 2021:

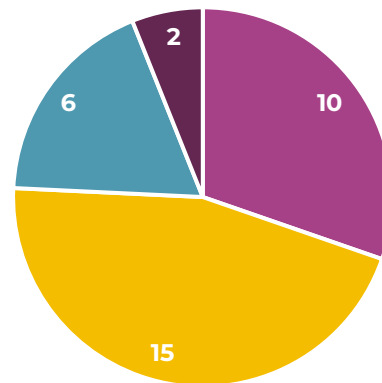

Affiliation of Applicants

■ Academia ■ Government ■ Industry ■ NGO

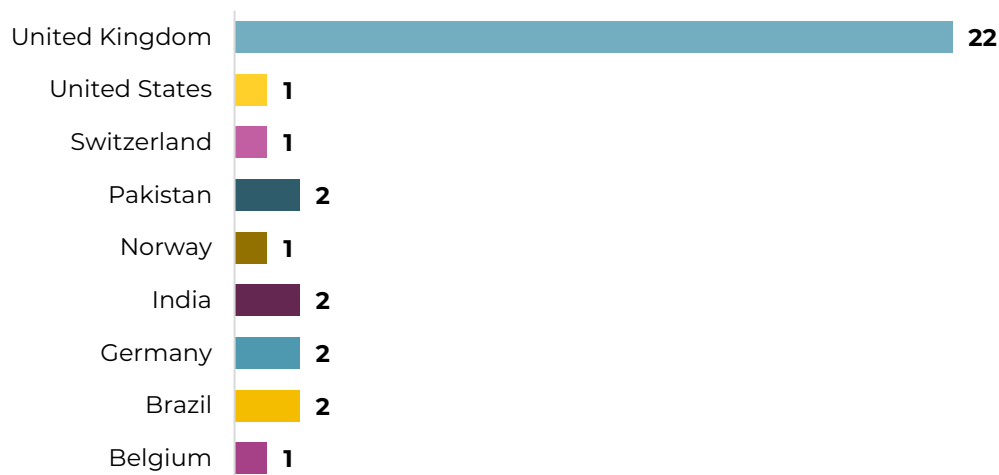

Gender of Applicants

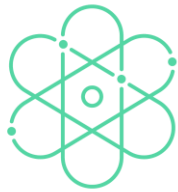

■ Male ■ Female
■ Joint Proposals* ■ Prefer not to say

**Joint proposals were submitted by groups of mixed genders*

Location of Applicants

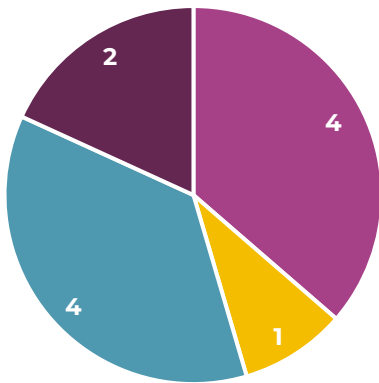

UK PROJECT ON NUCLEAR ISSUES

Proposal Selections

Proposals were anonymised and selected by the UK PONI Board of Advisors based on proposal content and topic relevance. This year, **11** proposals will move to plenary during the Annual Conference. These proposals represent a diverse range of background, topics, and voices, primarily from across the United Kingdom but also Germany and Norway:

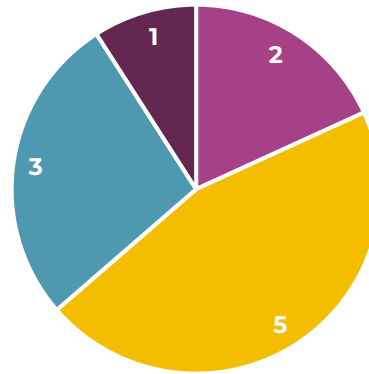

Affiliation of Selected Applicants

■ Academia ■ Government ■ Industry ■ NGO

Gender of Selected Applicants
