

Re-elect Felicia Samuel

ETT Executive Officer

Dear colleagues,

Thank you for trusting me to serve as one of your ETT Executive Officers for the past 9 years. It has also been my honour to serve as a member of your ETFO Provincial Executive since August. I have served you by:

- **Defending you** when you have found yourselves in difficult situations with administrators;
- **Visiting your schools** almost every day and **responding to your inquiries** in a timely manner;
- **La mobilisation des enseignant(e)s de FLS** pour traiter de questions concernant les conditions de travail et du financement transparent pour les programmes de français langue seconde;
- **Creating and delivering workshops** on: union leadership, NTIP/TPA, union basics etc.;
- **Standing with you** at rallies and demonstrations;
- **Representing you and advocating for you** at meetings with educational partners, community groups, labour affiliates and politicians;
- **Continuing to work on member engagement and participation** in our union so that we can be the powerful force that is expected of the largest ETFO teacher local.

Due to our current job action we are becoming more active in our union. We are feeling empowered to take a stand with this government and defend public education and our rights. When this fight is over we will need to continue this momentum as we demand safer and more respectful schools. We have a lot of work to do together and I won't back down!

For more information about me and to see my work over the years please take a look at my Twitter [@feliciasamuel](#) (union) or [@FeliciaScarbTO](#) (community/political) or visit my website: www.feliciasamuel.ca.

Felicia
