

# Petition calling on the government to stop the cuts to our kids' classrooms.

We, the undersigned residents of the province of Saskatchewan, wish to bring to your attention the following:

- The Sask. Party has cut at least \$674 in government funding for every student across Saskatchewan;
- The Sask. Party hiked education taxes by \$67 million but cut total government funding for education by \$121 million;
- Even though the Sask. Party is making us all pay more, our kids are actually getting less; and
- The Sask. Party cuts mean that students will lose much needed supports in their classroom, including funding for busses for kindergarteners and programs to help children with special needs and autism.

We the undersigned, call upon the government to reverse the senseless cuts to our kids' classrooms and to stop making families, teachers, and everyone who works to support our education pay the price for the Sask. Party's mismanagement, scandal and waste.
