"Bradley"  
T392

Using a warm finish and a rich rustic design, the "Bradley" occasional table collection creates a functional table collection that perfectly captures the beauty of finely crafted furniture. The gentle aged look of the burnished brown finish beautifully accents the plank detailing to give these tables a warm Old World craftsman feel that is sure to fit comfortably within any home decor. With the ample storage space of the thick table tops and lower shelves, the "Bradley" occasional table collection is as functional to your living area as they beautiful to your home.
