Features:

- Frame constructions have been rigorously tested to simulate the home and transportation environments for improved durability
- Components are secured with combinations of glue, blocks, interlocking panels and staples
- Seats and back spring rails are cut from mixed hardwood and engineered lumber
- All fabrics are pre-approved for wearability and durability against AHFA standards
- Cushion cores are constructed of low melt fiber wrapped over high quality foam
- Features metal drop-in unitized seat box for strength and durability
- All metal construction to the floor for strength and durability
- The reclining mechanism features infinite positions for comfort

Rock the cool look of leather minus the hefty price tag with the Boxberg power reclining sofa. Rich with tonal variation, the indulgently soft upholstery sure looks like the real thing. And talk about indulgent comfort. Double stuffed armrests and sumptuous cushions cradle and support in all the right places. Distinctive scooped stitching enhances this reclining sofa's contemporary flair.
