

PRODUCT HIGHLIGHTS

- Stereo sound with a bi-directional speaker
- High power: 1500 watts
- Built-in woofer for sound you can feel
- Color-changing LED lights
- Karaoke Mode with 2 mic inputs

Take your party to the next level with 1500 watts of high power audio. Go ahead; turn it up and keep your party going with massive sound.

KEY FEATURES

BI-DIRECTIONAL SOUND

Go wall to wall with a unique bi-directional design. It delivers your music to a wider area for a room-filling sound experience.

BUILT-IN WOOFER

Energize the room with a 10-inch built-in woofer. You won't just hear it, you'll feel it.

DYNAMIC BASS

Press the Bass Booster button to power up the party with a touch of a button.

LED PARTY LIGHTS

Light up the party with fun light modes, including Party, Ambient and Dance. Set the lighting effect to match the rhythm and get dancing.

KARAOKE MODE

You and a friend can get the whole party singing with Karaoke Mode. Belt out every word with two mic inputs.

GIGA PARTY AUDIO APP

Control your party! Download the app¹ to adjust the built-in LED lighting, sound effects and even your EQ settings—right from your Android or iOS device. Party on!

BLUETOOTH® MULTI-CONNECTION

Friends who dance together stay together. With Bluetooth® Multi-Connection, you and your friend can connect and pair two mobile devices simultaneously. Alternate between two separate devices without disconnecting.

GROUP PLAY

Fill the entire room by connecting multiple Samsung Giga Party Audio devices for a more immersive sound experience.²

SPLASH RESISTANCE

With a splash-resistant top panel, you don't have to worry about accidental drips and splashes. Just enjoy the party!

¹The Samsung Giga Party Audio app is compatible with Android mobile phone devices running Android OS 6.0 or later. The Samsung Giga Party Audio app is compatible with Apple mobile devices running iOS 10.0 or later. The appearance, design and GUI (Graphic User Interface) specifications, which are not affecting product performance, are subject to change without notice. ²Connect up to 10 (compatibility wireless/wired between MX-T70, T50 and T40). In wireless connection, playback quality can be unstable depending on Bluetooth® environment.
