Depth camera
Add the Live Focus effect to your portrait shots more naturally

Main camera
Take clear and bright photos at night with the high-resolution 64 MP camera

Ultra Wide camera
Take shots with a 123° view, similar to the human eye's 120°

Macro camera
Capture your subject in more detail, even down to the texture

Selfie camera
Take bright, clear selfies with the high-resolution 32 MP selfie camera
