## Skylark

The Nakto Skylark Folding Bike is a stylish city bike, featuring a classic folding frame with fenders and 16-inch spoked rims. The frame is made of high-strength carbon steel with a premium paint finish. The bike comes with a rear luggage rack where you can strap your bags or other items you may be carrying. This bike is designed for daily mobility and can be easily ridden by almost anyone. It is perfect for going to work, school, or doing errands, making the Nakto Skylark Electric Bike the perfect city bike for everyday commuting.

The Nakto Skylark Electric Bike measures 51 inches in length and 38 inches in height, with a seat height of 29 inches to 33 inches. The folded bike measures 29" inches long and only 24 inches high so, it fits inside most car trunks and makes it essential in the family RV. The bike comes with the battery, a charger, a mini-tool kit, and a user manual.

The bike comes with a twist throttle and a pedal-assist that makes each ride a breeze. You will love riding it on congested streets and city paths. It is perfect for sightseeing, roaming parks, visiting neighbors, and exploring new places. The Nakto Skylark Folding Bike is available in gorgeous black, red, yellow, and white colors.
