Galaxy Tab A8

Explore. Engage. Entertain.

When it comes to family, sharing is caring. Bring home a quality tablet everyone can easily enjoy with Galaxy Tab A8, the awesomely entertaining tablet enhanced by the Galaxy ecosystem experience. Enjoy a sleek new design and seamless connectivity between your Galaxy devices — answer a phone call on your tablet, instantly share files with Quick Share, and so much more. The 10.5" LCD screen gives everyone plenty of room to do their thing, whether they're learning, watching videos or catching up on emails. You'll multitask more, too — stream a movie and browse social media at the same time with multiple apps open on the same screen. Samsung Kids sparks interest in learning with a library of games and challenges that help your kid learn good digital habits in a safe environment. All of this — plus an upgraded chipset, a long-lasting battery and up to 64GB of storage — makes Galaxy Tab A8 an affordable tablet that's perfect for families who like to share.

A screen everyone will love

Whether your family is streaming or video chatting with friends, bring out the best in every moment on a 10.5" LCD screen.

Charge fast. Power for hours.

Go for hours on a single charge[1] and back to 100% with the fast-charging USB-C port.

Power and storage for all

Get the power, storage and speed your family needs with an upgraded chipset and plenty of room to keep files — up to 64GB of storage; a long-lasting battery lets you go unplugged for hours to keep the family fun going.

The power of together

Open up a new world of convenient possibilities with the Galaxy ecosystem experience — your devices automatically talk to one another seamlessly to help you do more.
