

VKSUW49C

Viotek Super Ultrawide Curved HDR Gaming Monitor - 32:9 3840x1080p 144Hz w/ Remote, FreeSync

* UNMATCHED IMMERSION — Surround yourself with a massive 49-inch curved monitor sporting an ultra-widescreen 32:9 aspect ratio and 3840x1080p resolution. Feels like having multiple full HD monitors side-by-side.

*POWER TO PERFORM — Expect a smoother, more responsive performance, thanks to the lightning-fast 144Hz refresh rate and 4ms response time with Overdrive.

*TRULY DYNAMIC — Experience vibrant images with one of the only super ultrawide monitors to support High Dynamic Range (HDR). Dark and light colors are rendered with far greater detail than ever before.

*FLEXIBLE CONNECTIVITY — Connect the SUW49C to any peripheral that uses DisplayPort 1.2 port, 3.5mm audio, or HDMI 2.0 and 1.4 ports. Use the included remote to quickly switch between input modes and more.

*MULTITASKING BEAST — Stay focused on multiple projects. Maximize screen real estate. With dual-input PIP/PBP functions, two sources can be displayed on a single screen.

*GOLD STANDARD SERVICE — Enjoy the peace of mind that comes with our 3-Year limited warranty and industry-leading best-in-market Pixel Perfect Promise. Every Viotek monitor is backed by 100% U.S.-based customer support, available 7 days a week via live-chat, email and social media.
