Acer Aspire 5

A515-57T-373L

Model Acer Aspire 5 A515-57T-373L Laptop

High Level Specifications

- Intel® Core™ i3-1215U Processor - up to 4.4 GHz, 6 cores, 8 threads, 10MB Intel Smart Cache
- 15.6" Full HD (1920 x 1080) Widescreen LED-backlit IPS Touch Display
- Intel® UHD Graphics
- 8GB DDR4 Memory and 256GB NVMe Gen 4 SSD
- 1 - Thunderbolt™ 4: USB Type-C™ Port USB 3.2 Gen 2 (up to 10 Gbps) DisplayPort over USB Type-C & USB Charging
- 3 - USB 3.2 Gen 1 Ports (one with Power-off Charging) & 1 - HDMI™ Port with HDCP support
- 802.11ax Wi-Fi 6 Dual-Band 2.4GHz and 5GHz featuring 2x2 MU-MIMO technology
- 10/100/1000 Gigabit Ethernet LAN (RJ-45 port) and Bluetooth® 5.1
- Acer TrueHarmony Technology and Two Built-in Stereo Speakers
- Acer PurifiedVoice Technology with Two Built-in Microphones
- Lithium-Ion Battery, Up to 7.5 Hours Battery Life
- Windows 11 Home in S mode

What's in the Box

- Laptop
- AC Adapter & Power Cord

Key Features

Web Description

Acer Aspire 5 A515-57T-373L, 15.6" Full HD IPS Touch Display, 12th Gen Intel Core i3-1215U, 8GB DDR4, 256GB NVMe Gen 4 SSD, 802.11ax Wi-Fi 6, Windows 11 Home in S mode

Aspire 5

Breaking the Boundaries of Performance

The highly versatile Acer Aspire 5 is powered by the latest 12th Gen Intel® Core™ i3 processor for multitasking and Intel® UHD graphics for accelerated photo and video editing performance. Maximize your productivity with performance-grade thermal solutions and comprehensive connectivity options. The narrow-bezel design provides plenty of screen so you can focus on what's in front of you, while the Full HD display and Acer Color Intelligence ensures crisp, true-to-life colors!

Features

Make It Happen

The Intel® 12th Generation Core i3 processor and Intel® UHD graphics distribute performance where you need it most. From streaming to browsing to photo and video editing and more — experience the performance boost you need for your biggest breakthroughs.

The Connectivity

Featuring the next generation in connectivity: Wi-Fi 6, perfect for high-speed file sharing and smooth 4K streaming, and Bluetooth® 5.1. And with a Thunderbolt™ 4 port, connect two 4K displays for multitasking. Featuring three USB Type-A ports and one HDMI 2.1 port.

Keep It Cool

Experience engineered solutions to maximize cooling with dual fans supporting multiple cooling modes and dual copper thermal pipes. Expel up to 10% more heat with the air inlet keyboard to keep your cool when it counts.

The Smarts

With Acer TNR Solution, experience intelligent image noise reduction in low-light conditions. Acer PurifiedVoice Technology with dual microphones and beam-forming technology "follows" you around a room ensuring you're heard loud and clear. The Aspire 5 also features a 720P HD webcam with a blue glass lens that reduces ghosting and flares.

Display Your Best

Experience crisp, lifelike colors and sharp details on the 15.6" FHD IPS touch display. With a screen-to-body ratio of 81.18% you have more space to work thanks to narrow bezels. More intense shades and distinctions are possible with Acer Color Intelligence™.

The Design

The slim 0.70" body and aluminum top cover give the Aspire 5 a premium feel and appearance. An ergonomic hinge design lifts the body of Aspire 5 and tilts the keyboard for comfortable typing, improved cooling and a better sound experience.

Introducing Windows 11 Home in S mode - Streamlined for security & superior performance, and works exclusively with apps from the Microsoft Store.

Get a Fresh Perspective

Family, friends, obsessions, music, creations—Windows 11 Home in S mode is the one place for it all. With a fresh new feel and tools that make it easier to be efficient, it has what you need for whatever's next. Less noise, clutter, or chaos. Microsoft reimagined the way a PC should work for you and with you. Windows 11 is redefining productivity.

Detailed Product Specifications

Processor

12th Generation Intel® Core™ i3-1215U 6-Core Processor 1.2GHz with Intel® Turbo Boost Technology 2.0⁽¹⁾ up to 4.4GHz, Supporting hybrid core architecture with Performance-core and Efficient-core (10MB Smart Cache)

Display

15.6" Full HD Widescreen LED-backlit IPS Touch Display
1920 x 1080 resolution; 16:9 aspect ratio

Memory

8GB DDR4 Memory⁽²⁾
1 x 8GB | 1 Slot (Available)
2 DDR4 Slots (Total) - Up to 32GB

Video

Intel® UHD Graphics⁽²⁾

Audio

Acer TrueHarmony Technology
Two Built-in Stereo Speakers
Acer Purified.Voice Technology with Two Built-in Microphones
Compatible with Cortana with Voice

Storage

256GB NVMe Gen 4SSD

Optical Drive

Acer Care Center
Microsoft® Office Trial⁽⁷⁾
Cyberlink® PhotoDirector 8
Cyberlink® PowerDirector 14

Product specifications subject to change without notice

Actual product may vary from image shown

Accessible capacity varies; MB = 1 million bytes; GB = 1 billion bytes

(1) Overall system performance is based on several PC attributes. GHz, processor clock speed, is one of the attributes. Intel Turbo Boost Technology performance varies depending on hardware, software and overall system configuration.

(2) Shared system memory may be allocated to support integrated graphics, depending on system memory size and other factors. Actual system memory available to the operating system will be reduced by the amount of dedicated and shared system memory utilized by the graphics solution and resources required by the operating environment.

(3) 1 GB is 1 billion bytes. Actual formatted capacity is less and may vary depending on preloaded materials and operating environment. Recovery Management utilizes up to 8 GB (10 GB with Microsoft® Office Starter 2010 Trial) of the stated hard disk capacity as dedicated backup space.

(4) Battery life varies depending on product specifications, computer settings, and applications or features launched. All batteries' maximum capacity diminishes with time and use. Battery Life based on MobileMark® 2018 test results.

(5) For a free copy of the standard limited warranty end-users should see a reseller where Acer products are sold or write to Acer America Corporation, Warranty Department, P.O. Box 6137, Temple, TX 76503. TFT displays commonly exhibit a small number of discolored dots, so-called "nonconforming pixels." This phenomenon is a limitation of TFT LCD technology, not a product defect and, as such, is not covered by the limited warranty or by the upgrade programs. For International travelers warranty Valid only in countries where Acer has an authorized repair facility. For a list of those countries go to <http://global.acer.com/support/itw.htm>, or call 800-816-2237. Services and response times may vary in countries outside the U.S. and Canada

(6) 30-days of complimentary subscription. Internet connection required to start trial

(7) Microsoft Office Trial included. After or during the 30-day trial, purchase an Office Product Key to activate one of the following Office suites preloaded on this PC: Office Home and Student, Office Home and Business, Office Professional.

(8) Windows 11 S works exclusively with apps from the Microsoft Store within Windows. Certain default settings, features, and apps cannot be changed. Some accessories and apps compatible with Windows 11 may not work (including some antivirus and accessibility apps), and performance may vary. If you switch to Windows 11 Home configuration you can't switch back to Windows 11 S. Learn more at [Windows.com/Windows10SFAQ](https://www.microsoft.com/windows/11sfaq).
