- Acer Purified.Voice™ Technology with AI Noise Reduction
- Two Built-in Stereo Speakers and Dual Built-in Microphones
- Lithium Ion Battery, Up to 8.5-hour battery life (Based on MobileMark® 2025)
- Windows 11 Home

What's in the Box

- Laptop, AC Adapter & Power Cord

Key Features

Web Description

Acer Aspire Go 15 AG15-31P-3894, 15.6" Full HD Display, Intel Core i3-N305, Intel UHD Graphics, 8GB LPDDR5 Onboard Memory, 256GB PCIe Gen4 SSD, 802.11ax Wi-Fi 6, Windows 11 Home

Aspire Go Intel

Launch Your Creativity

Meet the Aspire Go - a laptop that keeps things simple. Designed for effortless day-to-day use and packed with all the essentials needed to stay connected and productive - so you can excel. Powered by an Intel Core i3 processor and an immersive 15.6" FHD display, you have the performance you need to connect, learn and play anywhere.

Features

Clarity and Comfort

With its narrow bezel design the 15.6" 1080p Full HD display is perfect for casual web browsing and watching movies or streaming, allowing for a sharp, detailed view of what's in front of you. And with Acer BlueLightShield™, lower the levels of blue light to lessen the negative effects of blue light exposure.

Speed and Storage

Equipped with an Intel® Core™ i3 processor, 8GB LPDDR5 RAM, and a fast 256GB Gen4 SSD storage, this laptop ensures smooth multitasking and responsive performance. Plus, enjoy extended productivity with exceptional battery life.

User-Friendly by Design

Windows 11 Home powers a user-friendly experience, AI-enhanced by Copilot in Windows, while Acer TNR solution and Acer PurifiedVoice™ enhance your video calling experience

The Connectivity

Effortlessly connect or charge your devices through the full-function USB Type-C port—while Wi-Fi 6 and HDMI 2.1 enhance your digital experiences to be faster, smoother, and more enjoyable.

Unlock More with AcerSense™

Your device health and battery life are in good hands with AcerSense™, which also optimizes storage space, monitors your apps, and much more. It's a versatile tool for a smoother, more user-friendly experience

Kinder to the Planet

Packaged in 100% recyclable materials and featuring a back cover made from 30% recycled plastic, Aspire Go 15 holds both Energy Star certification and EPEAT Silver registration, empowering you to make a more responsible choice.

195133204200

Part Number

NX.KRPAA.002

Software

Windows 11 Home⁽⁷⁾

Productivity

Acer Care Center
Microsoft® Office Trial⁽⁶⁾

(1) Overall system performance is based on several PC attributes. GHz, processor clock speed, is one of the attributes. Intel Turbo Boost Technology performance varies depending on hardware, software and overall system configuration.

(2) Shared system memory may be allocated to support integrated graphics depending on system memory size and other factors. Actual system memory available to the operating system will be reduced by the amount of dedicated and shared system memory utilized by the graphics solution and resources required by the operating environment.

(3) 1GB is 1 billion bytes. Actual formatted capacity is less and may vary depending on preloaded materials and operating environment. Acer eRecovery Management utilizes up to 8GB (10GB with Microsoft® Works 8.5 with Office Home and Student 2007 Trial) of the stated hard disk capacity as dedicated backup space.

(4) Battery life varies depending on product specifications, computer settings, and applications or features launched. All batteries' maximum capacity diminishes with time and use. Battery Life based on MobileMark® 2018 test results.

(5) For a free copy of the standard limited warranty, end users should visit a reseller at which Acer products are sold or write to Acer America Corporation, Warranty Department, P.O. Box 6137, Temple, TX 76503. TFT displays commonly exhibit a small number of discolored dots, so-called "nonconforming pixels." This phenomenon is a limitation of TFT LCD technology, not a product defect and, as such, is not covered by the limited warranty or by the upgrade programs. For International Travelers Warranty: Valid only in countries in which Acer has an authorized repair facility; for a list of those countries, go to <http://global.acer.com/support/itw.htm> or call 800-816-2237. Services and response times may vary in countries outside the U.S. and Canada.

(6) 30-days of complimentary subscription. Internet connection required to start trial

(7) Windows 11 S works exclusively with apps from the Microsoft Store within Windows. Certain default settings, features, and apps cannot be changed. Some accessories and apps compatible with Windows 11 may not work (including some antivirus and accessibility apps), and performance may vary. If you switch to Windows 11 Home configuration you can't switch back to Windows 11 S. Learn more at Windows.com/Windows10SFAQ.
