Features:

- Frame constructions have been rigorously tested to simulate the home and transportation environments for improved durability
- Frame components are secured with combinations of glue, blocks, interlocking panels and staples
- Seats and back spring rails are cut from mixed hardwood and engineered lumber
- All fabrics are pre-approved for wearability and durability against AHFA standards
- Cushions are constructed of High-resiliency foam cushions wrapped in thick poly fiber
- Features loose non-reversible seat cushions along with attached back cushions
- Upholstered in Polyester Chenille for durability with a soft and chunky textured weave for added character
- Features stylish track arms and tufted backs
- Features exposed feet with faux wood finish
- Sleeper features easy to lift mechanism and Memory Foam mattress atop a supportive steel frame
- Platform foundation system resists sagging 3x better than spring system after 20,000 testing cycles by providing more even support
- Smooth platform foundation maintains tight, wrinkle-free look without dips or sags that can occur over time with sinuous spring foundations
