

How to add a new business on Northern Devon Makes

Before You Begin

Before creating your business profile, make sure you have:

- A short paragraph describing your company, what you do, and what opportunities you offer to people looking to build their careers.
- A company logo (optional, recommended size 512 × 512 px, in PNG or JPG format).
- A cover image (optional, recommended size 1600 × 900 px, in PNG or JPG format).
- A business email address – this will be used to verify your account via a magic link.
- Basic contact details such as address, postcode, and phone number.

Step 1

Go to the Northern Devon Makes website

Visit northerndevonmakes.org. At the bottom of the home page, you'll see a button saying 'explore'. Click or scroll down to the next section, 'Join the Northern Devon Makes Community'.

Step 3

Complete the form & sign up

First of all, fill in your email address. This will send a Magic Link that you'll use to verify your email address. Once this is done, you'll be taken your Company Dashboard - here, you can complete your company profile with the following information, as well as adding a cover image and description.

Company information - your official business name, the sector you operate in, a company description, team size.

Skills you need - include any skills relevant to your company (e.g. coding, design, mechanics).

Contact details - your company email address, phone number, and website.

Location - Make sure to enter your business address and postcode so your company appears correctly on the map.

Tick the boxes to agree to the **Privacy Policy** and (optionally) receive updates

Step 4

Submit your business profile

Once all fields are complete, click 'Save Changes'. Don't forget to double check all fields to ensure your information displays correctly on the map.

If you have any edits, head back to your Company Dashboard at any time to edit your description, images, and contact details. From here, you can also add News, Stories and Team Members to display on your profile.

Add or remove skills and opportunities as your organisation grows. Your business will then appear on the Northern Devon Makes platform for people to discover and learn about local career opportunities.
