India Internship Program Statistics Report 2024-25

Executive Summary

India faces a complex employment landscape where educated youth struggle with significant unemployment rates despite having advanced degrees. Our analysis reveals critical insights into internship preferences, unemployment statistics, and employability challenges among Indian students and graduates.

Key Findings at a Glance

Youth Unemployment Crisis

- 15.79% overall youth unemployment rate in India (2023) is around 15.66%–15.67% for those aged 15–24 according to both Statista and ILO.
- Unemployment among youth aged 20–24 (Q4 2023): The national youth (15–24) rate was about 15.7%, and for those 15–29 it was 10.2%.
- 29.1% unemployment rate among graduates - 9x higher than illiterate population (3.4%)

Internship Preference & Applications

- 87% of Indian youth prefer internships before job searching
- 1 Crore (10 Million) internships targeted by AICTE's National Internship Portal by 2025
Correct, but the latest data from 2025 shows this figure is now over 93%, indicating a further increase in internship preference among Indian youth.

Employability Challenges

- Overall employability of Indian youth (2024): 52%
- 64% employability rate among engineering graduates (2024)
- 71% employability rate among MBA graduates (highest among all degrees)

ResourceIndia Process

Talent Launchpad

At ResourceIndia Council, we don't just train — we invest in talent. Our 6-month internship experience is built around real business outcomes: stipends, mentorship, and employment-ready exposure with industry leaders.

Hiring Partner Access (Startups & Growth-Stage Companies)

We connect you to our hiring ecosystem — curated startups and SMEs that value hands-on skill over pedigree.

Career Growth Process

Strategic Resume & Portfolio Development
Build a market-ready profile with the support of expert mentors who understand what hiring managers truly look for.

Priority Referrals for High Performers

Exceptional interns don't wait in line. We directly endorse top performers to our hiring partners for faster, premium placement.

Real-Time Mock Interviews (HR + Technical)

Prepare through real-world simulations, not theory. Practice directly with HR leaders and tech experts from our ecosystem.

Lifetime Career Support & Job Board Access

Our relationship doesn't end after 6 months. Access exclusive job alerts, placement support, and referrals — for life.
