# THOUGHT OF THE MONTH

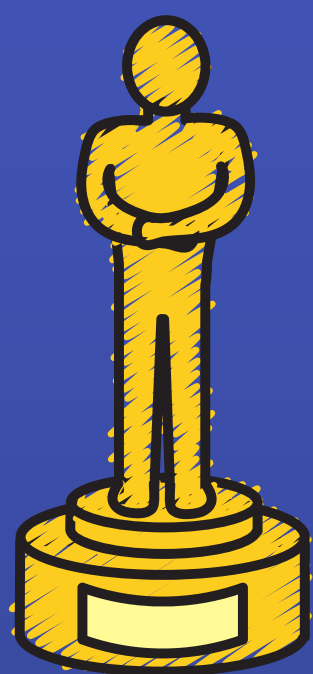

"We are  
what our thoughts  
have made us;  
So take care about  
what you think.  
Words are secondary.  
Thoughts live;  
They travel far"

## AN EMINENT FIRST YEAR EXPERIENCE (PART - 1)

"It's been not too long since I started going to milhard colony under the TEACHING, A NEEDY project of VM for teaching poor students.

Me and my hostel friends, despite going somewhere out of the station, decided to celebrate one of our friend Nikshit's birthday with the milhard students. Even though none of them were part of our club, each of my friends visited there, helped in teaching along with some fun activities for the students.

Later on, some snacks were also distributed to all of them by us and the session ended with a group photo. Probably the best birthday celebrated of a kind with some new experiences and a soothing THANKU by milhard students."

## AN EMINENT FIRST YEAR EXPERIENCE (PART - 2)

"When I joined YMCA ,I was excited about college life but also nervous about ki nye mahoul m adjust kese hoga or main thing seniors kese hoge But when I met VM members in hostel GD ,I felt they were all very kind and supportive.Uske bad MBA teaching m Kuch or log mile and dekhte hi dekhte VM family ban gya.

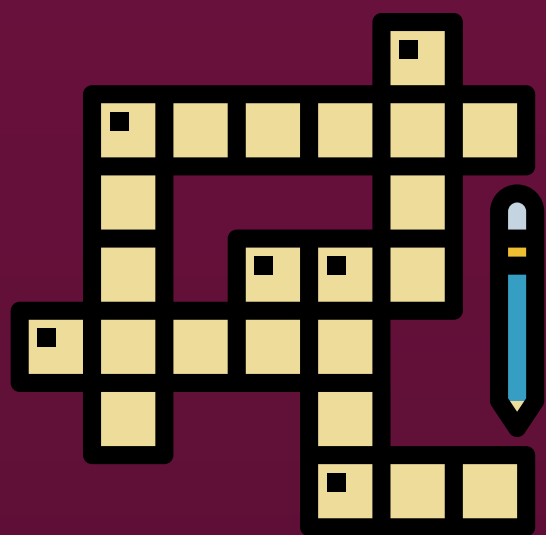

I've learnt a lot from VM workshops. How to work in a team ,how to face audience and the biggest one how to manage an event. Fir chahe content writing ho ya public speaking ,I found VM seniors standing with me to correct my mistakes .Not only technical things,VM m Zumba bhi sikhaya, and it was a lot of fun .Dance , parties,fun ,games every event I enjoyed with VM family is unforgettable."
