

FIND IT!

RULES AND INSTRUCTIONS:

- ❖ The game consists of 8 levels.
- ❖ On every level you will be given a clue, (see the next page for 1st one).
- ❖ Decode the clue and solve it.
- ❖ Then click on the link given. It takes you to an encrypted pdf.
- ❖ The password of the pdf is the answer of the previous clue (all alphabets small and giving proper spaces).
- ❖ This goes on till the 8th clue.
- ❖ Answer of the 8th clue takes you to your prize.

Let's start. All the Best!!

Clue Number:1

The Easy One

What was the largest island in the world before the discovery of Australia?
