# Key functionality of our Tour & Cruise booking engine

**Comprehensive Ocean Cruise content**
30+ of the worlds leading cruise lines, including P&O Cruises, Carnival Cruise Lines, Royal Caribbean Cruise Lines and MSC

**Unbeatable River Cruise Options**
Featuring the world's top river cruise companies including Viking, A-Rosa, Scenic and Uniworld

**Global Tours**
All the major tour companies in one place with options for every age group and every interest

**Manage Margins**
Ability to dynamically increase or decrease your margin to maximise profit and win every booking

**Collaboration**
Our unique collaboration functionality connects travellers with the agent, enabling a shared booking and amendment process in real time

**Dashboards**
A central agency dashboard provides access and overview on all bookings for reporting and business analytics. Each agent has their own dashboard to make bookings and to manage, track and amend the customer bookings

**Global**
Multi-currency & Multi-language

SIMPLE    SMART    SEAMLESS
