

oneCORPORATE

A CORPORATE BOOKING TOOL for
Travel Management Companies,
Travel Agencies and their corporate
Travellers

Your Corporate Booking Tool Solution

Simple • Smart • Seamless

Travel technology created by travel experts for travel experts. Our technology provides **SIMPLE, SMART, SEAMLESS** and **COLLABORATIVE** booking solutions suited to both leisure and corporate travel. **oneWORLD** allows for a personalized and engaging real time experience with an agent either in person or remotely.

one CORPORATE

Multi-GDS capability, NDC and
Low Cost Carrier content

An intuitive end to end corporate
travel platform from planning, to
booking, to payment and
reporting

Multi-level approval process
with personalized travel policy
management

Low setup and monthly costs

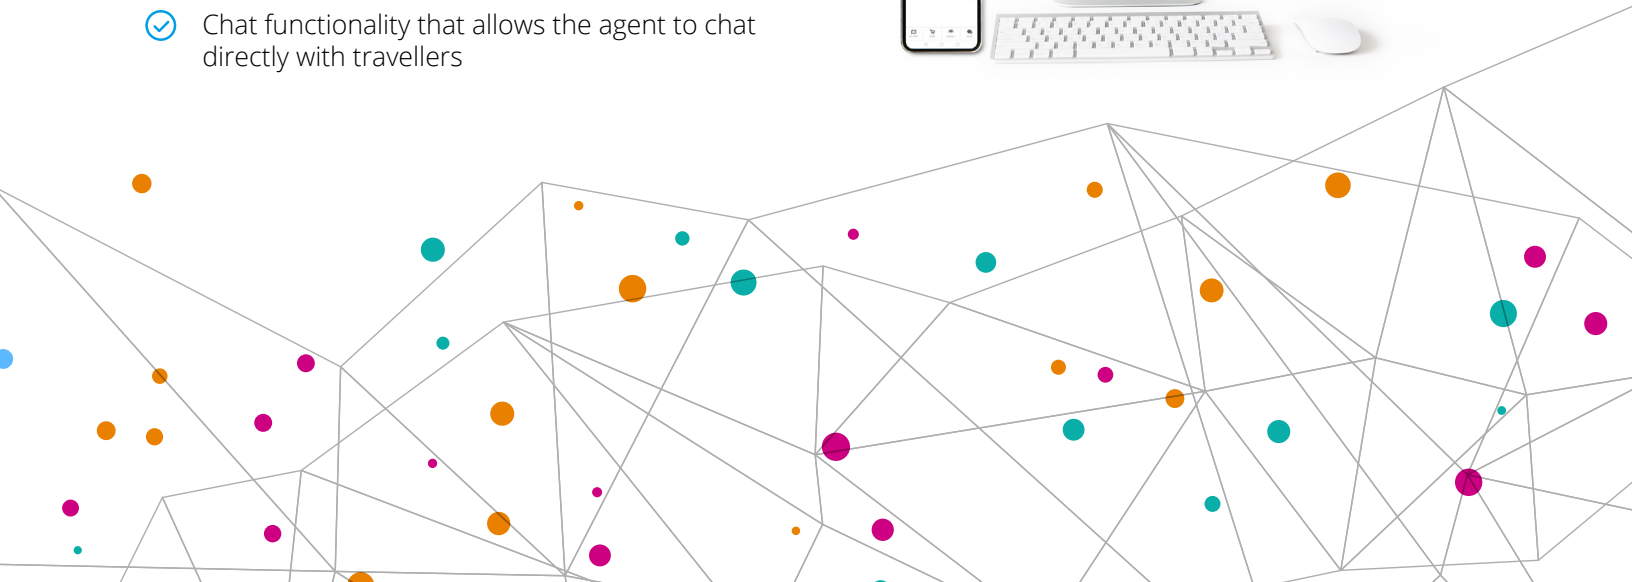

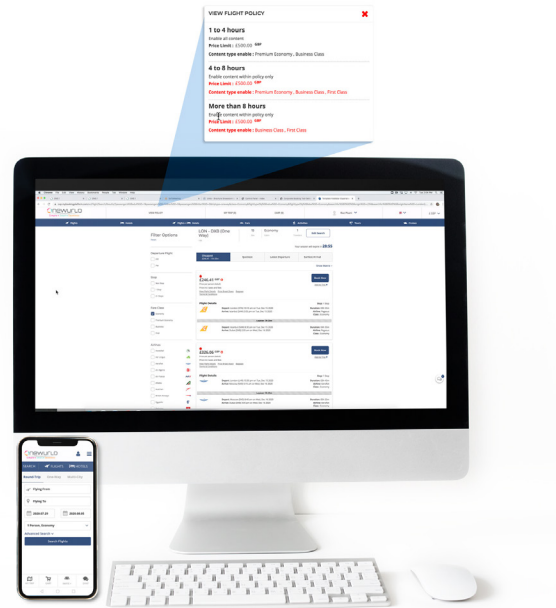

Key functionality of our Corporate Booking engine:

- ✓ Simple and quick to roll-out
- ✓ Seamless and easy to use for travellers, approvers, agents via desktop or mobile device
- ✓ Access to New Distribution Capability
- ✓ In-depth travel policies definitions with approval workflows
- ✓ Full content freedom - ability to use with your own TMC content and leverage our global content
- ✓ Manage user profiles within the tool or integrated with Umbrella

- ✓ Ability to create and provide your own margins to maximise profits
- ✓ Multi-GDS, NDC and low cost carrier booking on one simple interface
- ✓ Each TMC consultant has their own dashboard to manage, track and amend their clients bookings
- ✓ Agency dashboard provides an overview on all bookings for reporting, finance and business analytics
- ✓ Chat functionality that allows the agent to chat directly with travellers

World's Best Agent Workspace
