

oneLOYALTY

The SINGLE SIGN-ON CONNECTOR
between loyalty programs, their
customers, and our travel agency
partners

Grow this Important and Profitable Sector in your Business

Travel technology created by travel experts for travel experts. Our technology provides **SIMPLE, SMART, SEAMLESS** and **COLLABORATIVE** booking solutions suited to both leisure and corporate travel. **oneWORLD** allows for a personalized and engaging real time experience with an agent either in person or remotely.

one LOYALTY

End to end solution providing direct connection, fulfilment and settlement

Full loyalty mid office functionality creates a customizable branded traveller experience

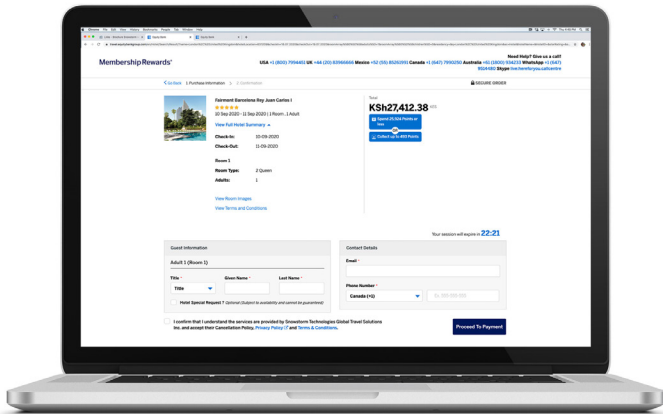

oneLoyalty powers some of the largest loyalty travel agencies

An innovative loyalty solution that allows agencies, large and small, to penetrate this growing market

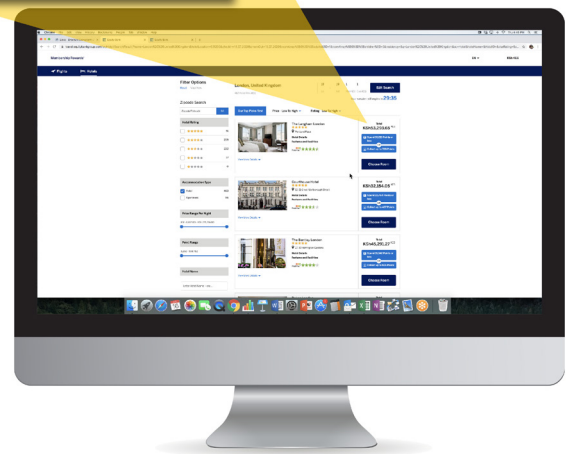

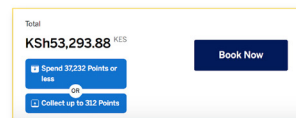

Key functionality of our Loyalty Platform:

- ✔ Single sign on allowing seamless personalised customer experience
- ✔ Works with loyalty programs for banks, retailers, energy and utilities companies
- ✔ Business analytics gives visibility on programs effectiveness

- ✔ Easy points integration via API for accrual or redemption programs
- ✔ Customer can redeem using points, cash or a combination of both
- ✔ Customers earn points when booking on your site
- ✔ Become the loyalty provider's preferred travel agency for earning and redeeming for their travel program

World's Best Agent Workspace
