ABOUT US

- **WHY:** Empowering global commerce by ensuring every shipment reaches its destination with precision, care and ease
- **HOW:** Expertly orchestrating cargo movements across Rail, Road, and Sea, ensuring accuracy, safety, and seamless execution
- **WHAT:** Customized supply chain solutions, covering shipping, logistics, and warehousing, tailored to your unique needs

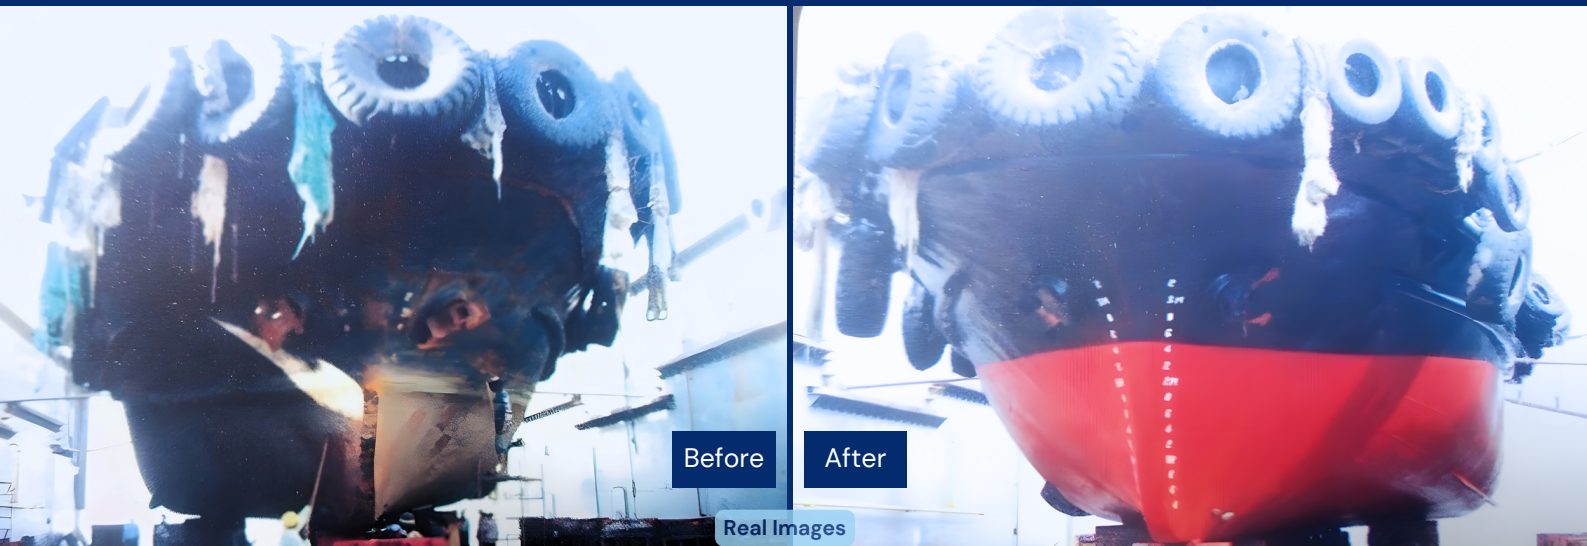

At Malara Shipping Pvt Ltd., we take pride in our **rich legacy of over two decades** as a premier maritime services provider. Our journey has been marked by an unwavering commitment to excellence, as we strive to deliver top-notch shipping solutions that meet the evolving needs of our clients. With a strong foundation built on **trust, reliability, and expertise**, we have fostered long-term relationships with our valued customers, who have come to rely on our exceptional services.

As a comprehensive maritime services provider, our portfolio encompasses a wide range of offerings, including ship agency, stevedoring, customs clearance, dry-docking, ship chartering, brokering, and marine stores supply. Our team of seasoned professionals, equipped with extensive industry knowledge and expertise, work tirelessly to ensure seamless execution of our services, tailored to meet the unique requirements of each client. At Malara Shipping Pvt Ltd., we are dedicated to upholding the **highest standards of quality, safety, and customer satisfaction**, as we continue to navigate the ever-changing landscape of the maritime industry.

We are also shipping agents for **Indian Oil Corporation Ltd. (IOCL)** for their costal/foreign vessels for Deendayal Port (Kandla), Mundra, and Vadinar. We provide personalized solutions and continuously invest in our people, processes, and technology for an enhanced customer experience.

DRY DOCK | SHIP REPAIRS

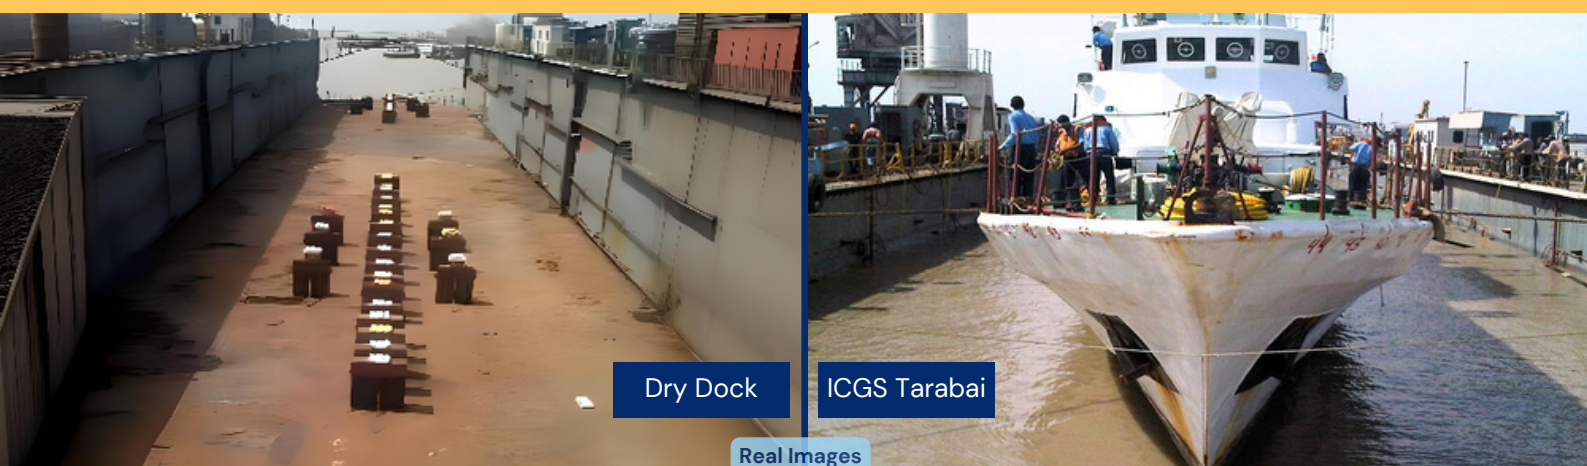

We provide dry docking and repair services for MBCs, Tugs, Barges, and offshore vessels. Our services include timely slot booking, shore support, and high-quality repairs & maintenance for all types of marine engines and equipment

We are a significant dry dock user at Deendayal Port (Kandla), managing approximately 30 Tugs, Barges, and MBCs annually, based on dry dock length

Dry Dock Vitals at Kandla:

- Weight Capacity: 2700 Dwt
- Length: 95 Mtrs
- Width: 20 Mtrs

On 10th August 2010, Coast Guard vessel ICGS Tarabai became the 1st vessel to utilize Deendayal Port's newly operational Steel Floating Dry Dock. This milestone marked the beginning of a new era in maritime services at Deendayal Port. We were honored to serve as a Shipping Agent for this vessel
