MANIFESTO® Quiche

Quiche that *actually* earns its place on the menu.

KITCHN™ Manifesto® Quiche is made with real, visible ingredients and the kind of custard-forward bite that makes people order it again. Four varieties cover everything from classic to bold, including the High Protein Cheesy Quiche* with 24g of protein per 6.09oz serving, so whether you're running a café, hotel breakfast, or all-day brunch concept, there's a quiche here that fits.

No prep labor. No guesswork. Just consistent, scratch-quality results.

All Quiche are:

- Seed-oil-free**
- Non-GMO** **Cage-free eggs** **No artificial flavors, colors, or preservatives**
- No high-fructose corn syrup** **Pure cane sugar** **Real butter, real cheese, real ingredients**

Handcrafted Pretzels

The pretzel your menus been missing.

KITCHN™ Handcrafted Pretzels start with a rich golden butter dough, then get stuffed, topped, and finished with real flavors, not the flat, forgettable pretzels already on the menu. Five varieties with up to 20g of protein per serving, built to hit across bar snacks, grab-and-go, shared plates, and late-night programs. The kind of format that earns its own section.

Heat and serve. Consistent every time.

No production labor.

MANIFESTO[®] SAVORY XANGO'S[®]

Crispy Layers. Global Flavors. Endless Cravings.

The format that earns its own menu section. KITCHN[™] Manifesto[®] SAVORY XANGO'S[®] bring the same crispy, indulgent format that made Sweet Street's dessert a standout — and put it to work on the savory side of the menu. Bold fillings, MANIFESTO[®] quality, and up to 12g of protein per serving, with the kind of visual appetite appeal that sells itself before the server even finishes describing it.

Three varieties. Every one built for happy hour, small plates, and shared formats.

Croissants

Scratch quality. Zero scratch labor.

Pre-proofed croissants built for operators who want the real thing without the bakery.

KITCHN™ Croissants deliver the laminated layers, buttery interior, and golden crust of a scratch-made croissant, from frozen, with no proofing labor, no timing guesswork, and no specialized equipment. Two varieties that work across breakfast, brunch, sandwich programs, and grab-and-go.

Consistent. Reliable. The kind of croissant that makes the rest of the breakfast program look better.
