EDUCATION

Lovely Professional University
Bachelor of Technology,
Computer Science And Engineering

2022 - 2026

EXPERIENCE

Newton School
I have worked in Newton School's
Graphic Department for over 1
year as a Graphic Designer,
creating content such as
graphics, photography, posts,
stories, banners. I also build
creative for our multiple social
media brands and help develop
new content strategy.

2022 - 2023

Freelancing

As a freelance graphic and web
designer, I've thrived on creative
freedom, working on diverse
projects, and adapting to design
challenges while staying updated
with industry trends.

2018 - Present
