

TA-MP15I-ID2-IMP

Heavy Duty Mobile TV Trolley

TV
100kg/220lbs

Screen Size
55"-85"

VESA Compatible
Max. 800x600

Product Overview

The TechAagam TA-MP15I-ID2-IMP Elegant Series TV Trolley is engineered to provide a robust, stylish, and mobile mounting solution for displays ranging from 55" to 85". Designed with a heavy-duty steel frame, it supports displays weighing up to 100 kg, making it ideal for interactive flat panels, commercial displays, and large-format presentation screens.

Featuring VESA support up to 800 × 600 mm, an integrated equipment shelf, and heavy-duty lockable caster wheels, the trolley allows effortless mobility while maintaining exceptional stability.

Its elegant industrial design blends seamlessly into corporate meeting rooms, educational institutions, training centers, hospitality venues, and exhibition environments.
