Product Overview

TA-MP25B Professional Mobile TV Floor Stand is a robust and versatile display mounting solution designed for 40" to 60" displays with a maximum load capacity of 50 kg. Its heavy-duty steel construction provides excellent stability, while the integrated caster wheels allow the display to be easily moved between different locations.

The stand supports a wide range of VESA mounting patterns up to 600 × 400 mm, making it compatible with a variety of commercial displays, interactive displays, and professional monitors. The display mounting system also provides 0° to 45° tilt adjustment, allowing users to achieve a comfortable and suitable viewing angle.

With its compact 700 × 430 mm base, adjustable mounting structure, and mobile design, the TA-MP25B is ideal for meeting rooms, classrooms, training rooms, conference spaces, exhibitions, digital signage, hospitality, and other professional AV applications.
