## Red Hat System Administration III: Linux Automation with Ansible (RH294)

Course Duration : 40 Hours

Red Hat System Administration III: Linux Automation with Ansible (RH294) teaches the skills needed to manage large numbers of systems and applications efficiently and consistently. You will learn the techniques needed to use Ansible® to automate provisioning, configuration, application deployment, and orchestration. This course is based on Red Hat® Enterprise Linux® 8 and Red Hat Ansible Engine 2.8.

### Introduce Ansible

- Describe Ansible concepts and install Red Hat Ansible Engine.

### Deploy Ansible

- Configure Ansible to manage hosts and run ad hoc Ansible commands.

### Implement playbooks

- Write a simple Ansible Playbook and run it to automate tasks on multiple managed hosts.

### Manage variables and facts

- Write playbooks that use variables to simplify management of the playbook and facts to reference information about managed hosts.

### Implement task control

- Manage task control, handlers, and task errors in Ansible Playbooks.

### Deploy files to managed hosts

- Deploy, manage, and adjust files on hosts managed by Ansible.

### Manage large projects

- Write playbooks that are optimized for larger, more complex projects.

### Simplify playbooks with roles

- Use Ansible roles to develop playbooks more quickly and to reuse Ansible code.

### Troubleshoot Ansible

- Troubleshoot playbooks and managed hosts.

### Automate Linux administration tasks

- Automate common Linux system administration tasks with Ansible.

### Prerequisites for this course

Pass the Red Hat Certified System Administrator (RHCSA) exam (Ex200), or demonstrate equivalent Red Hat Enterprise Linux knowledge and experience

**Q: Why should I choose Training Basket over other training providers?**

Ans. Training Basket provides a unique amalgamation of quality, convenience, flexibility and cost. Training Basket has some of the best trainers in the industry. Our trainers excel not just in depth and width of knowledge, but also in their patience and ability to explain difficult concepts in simple terms.

Training Basket has made serious investments with long-term vision for ensuring good environmental factor for studies by first buying their own suites in the prestigious iThum Towers in NOIDA, Sec-62. This lets us configure our labs and classroom suited best to our student's comfort and focused studies.

**Q: What is the criterion for availing the Training Basket job assistance program?**

Ans: All Training Basket students who have successfully completed their training in any of our courses are directly eligible for placement assistance.

**Q: Which are the companies that Training Basket has placed students in the past?**

Ans: We have exclusive tie ups with MNC's like Ericsson, Cisco, Cognizant, Tech Mahindra, MEON, Bingo, Genpact etc.

**Q: Do I need a prior industry experience in getting an interview opportunity?**

Ans: There is no need to have prior opportunity for getting an interview call. The successful completion of any industry level technology training at Training Basket is like an industry experience. This training makes you confident to clear interviews and we also conduct in-house mock interviews on our online assessment platform where we assess our student's skills by testing their code online or industry specific assessment before sending them for interviews.

**Q: How does Training Basket assist in placement?**

Ans: You will be guided on creating an attractive template based resume. You will get opportunity to attend free personality development program and mock interviews conducted by our SME's to boost your confidence for real interviews. Plus you will be given our level assessment platform where we assess our student's skills by testing their code online or industry specific assessment.

**Q: If I don't clear in first attempt, will I get another chance?**

Ans: Yes, for sure. Your resume will be active on our job portal and will be visible to all our associates and clients. Training Basket will continue to send your resume to future job requirements matching your profile till you land a job.

**Q: Does Training Basket Guarantee job through it's job assistance program ?**

Ans: Training Basket does not guarantee job placement but it will continue to assist you on best efforts basis to place you in it's affiliated companies' network.
