Goods	Documents required	Customs Prescriptions	Remarks
Machines, appliances and equipment	<ul style="list-style-type: none"> Original B/L. Original invoice with value stated for items less than 6 months old. The customer is advised to keep the document in case it is requested by customs authorities during the clearance process. Malaysian customs form N°1. Letter of authority. OBL. 	Subject to payment of customs duty.	Request to know type of machine/appliance and equipment, as import permit may be required. Malaysia uses 220-240 volt electricity.
Telecommunications equipment	Import permit required from Telecom Malaysia before such goods are imported.		<p>This includes fax machines, cordless phones, cellular phones, modems, answering machines etc.</p> <p>To apply for permit, fax details to your agent:</p> <ul style="list-style-type: none"> Model/type Serial number Country of origin Reasons for importing into Malaysia.
Alcohol		Alcohol is subject to high duties/taxes in Malaysia. Duties/taxes vary from 150% to 250% (estimated) of value of goods, or about US\$ 30 – US\$50 per litre, depending on the alcoholic contents.	There is no tax free allowance for alcohol arriving in unaccompanied shipments. If a shipper wishes to import alcohol a separate inventory needs to be done detailing each bottle (brand, country of origin, alcohol content, container size) and that inventory submitted to the destination agent so that they can apply for an import permit. This can take several weeks and is not always approved. It is strongly recommended that shippers do not include alcohol in their shipments.
Firearms, dangerous weapons, imitation firearms and fireworks, explosives, foodstuffs		Importation prohibited unless special authorisation is obtained.	<p>Mandatory death sentence if convicted for illegal possession of firearms.</p> <p>Swords require an import permit applied for by owner.</p>

Goods	Documents required	Customs Prescriptions	Remarks
Video tapes	<ul style="list-style-type: none"> • Titles and story of tapes/CDs. • Duration. • Actor names. 		All videotapes and CDs can be subject to censorship through the Government Film Censor Board, which will view all tapes/CDs before release. This will take approximately two to three weeks without any guarantee of return if not allowed to be viewed in the country. A fee of US\$3.00 per tape will be charged for this service. Instances of this happening are rare however shippers need to be aware that it may happen.
Prohibited importation		<ul style="list-style-type: none"> • Narcotics, drugs e.g. opium, heroin, morphine and marijuana. • Goods of South African or Israeli origin. • Obscene and pornographic materials. • Daggers and flick-knives. 	For possession of drugs, there is a mandatory death sentence. The Malaysian Government does not differentiate between hard and soft drugs. The penalties are the same.
Solid wood packing material	With effect from October 2009, please indicate "ISPM NO. 15 - Certificate is compulsory to be provided" in your PO if the goods are to be packed with wood (using pallet, crating or similar). Overseas suppliers are to ensure the wood is properly treated.		Treatment of WPM should be done only by accredited treatment companies or service providers registered under Malaysian Fumigation Accreditation Scheme (MAFAS). All WPM should be marked to certify that it has been subjected to an approved treatment. The markings in any colour except red and orange should be permanent and no stickers are allowed. Members are advised to begin to notify their overseas counterparts regarding this new requirement to ensure that the WPM is treated prior to importation.
