HELLO

We are proud to introduce Micro Mint Laminates, a brand dedicated to redefining elegance and durability in the world of laminates. With a perfect fusion of style, innovation, and quality, our laminates are designed to enhance spaces with sophisticated textures, rich colors, and premium finishes. Whether it's solid hues, wooden elegance, leather luxury, or textile-inspired designs, Micro Mint Laminates offers a diverse range to meet modern interior needs. Get ready to experience a new standard in surface design—crafted for excellence, built for beauty.

C O N T E M P
P O R T A R Y

Micro Mint edge banding is an excellent choice for laminates, offering several key benefits:

FEATURES

01. Aesthetic Appeal

Micro Mint edge banding comes in a variety of colors and patterns, allowing for a perfect match with laminate surfaces, enhancing the overall look of the furniture.

02. Smooth Finish

It provides a seamless and smooth edge finish, which elevates the quality and appearance of the furniture.

03. Cost-Effective

Micro Mint edge banding is a budget-friendly option that delivers a high-end look without the high-end cost.

04. Easy Application

It is relatively easy to apply, making it a convenient option for both professionals and DIY enthusiasts.

05. Durability

Despite being paper-based, Micro Mint edgebanding is treated to resist wear and tear, ensuring longevity and maintaining its appearance over time.

-  Easy to Install
-  Soft Edge
-  World class quality
-  Nail free
-  Cost effective
-  Best Match
-  UV Layer coating
-  Made in India
-  Termite Proof
-  100% recyclable

SPECIFICATION

Thickness : 0.8 mm
 Roll Size : 50 Mtr
 Available Width : 22 mm, 45 mm

Choosing Micro Mint edge banding for laminates ensures a refined and durable finish, making your furniture both beautiful and practical.

PRODUCT :
High pressure decorative laminated sheets

SIZE :
2440mm x 1220mm (8'x4')

CARE & MAINTENANCE :
Cleaning should be carried out with a soft moist cloth and warm soap solution. Do use detergents containing abrasive particles or excess soda.

PRODUCT CONFORMITY TO :
British european standard-bs en 438, american nema id-3, bis (bureau of Indian standard) is-2046.

NOTE :
1. Sample presented are indicative of colour, pattern and surface finish but not of actual thickness. High gloss sheets are recommended for vertical application only.
2. Finishes other than shown in here are available on request.

LIMITED WARRANTY :
Micro Mint warrants that its products are reasonably free from manufacturing defects. The products when properly used, will comply. With normal deviations, to related manufacturing specification. This warranty shall be limited only to the original buyer for a period of one (1) year from the date of dispatch by Micro Mint. It excludes damage resulting from accidents, abuse or lake of care. Improper use and or any alternation, it is recommended that the product must be inspected prior to installation and our liability will be limited to the extent of the cost of the product only. Micro Mint laminates are used for various applications, without the possibility of control over the manufacturing of the finished product. The company does not assume obligations or liabilities arising from the furnishing, sale, installation or repair use subsequent sale of any product, to any person or entity.
