## HATHOR

### stone table lamp

Shape-shifting like the moon, this sculptural lamp seems to balance on a point from one angle, while twisting to appear as a complete sphere from another. Planes carved from moléanos stone create a continuous form defined in shadow and reflected in a soft, ambient light.

Dimensions	9" w x 9" d x 9" h
Materials	Stone
Lead Time	10-12 weeks
Lamping	G9 base Dimmable LED UL Listed 120V bulb is included

181 N 11th St. #205 Brooklyn, NY 11211
