

FARRAH SIT

# SERPENTINE

## XL stone sconce

Crafted from solid stone, this sculptural sconce is understated and artifact-like. Elegant, geometry-defined curves undulate along the wall. Neutral tones drawn from Portugal's native stone bring a natural warmth to any space. The twisting forms add movement and dimension as the design extends off the wall, softly reflecting light onto its surface to provide an ambient glow.

Dimensions	4"w x 4"d x 44"h
	Size may be customized

---

St. Raphael Limestone
Custom stone available

---

Lead Time	10-12 weeks
