

Yxng Dave New Single 'White Lies'

A Fusion of UK Rap, Latin Vibes & Lo-Fi Melodies

The Pitch

Yxng Dave, one of GRM Daily's Top 10 UK Latin Artists to Watch in 2025, returns with his first single since releasing music under KSI's label, TOT (The Online Takeover).

'White Lies' is a bittersweet yet high-energy anthem, blending UK grime-inspired beats, melancholic lo-fi piano melodies, and Latin influences.

Produced by KATMANDUSOUNDS—the creative force behind viral TikTok hits such as "Sweetie Darling Beat Drop" & "Sturdy" —'White Lies' fuses raw emotion with an infectious bounce, making it perfect for rap playlists, dance trends, and lo-fi vlog edits.

Yxng Dave will also be performing the track live on DJ AG's platform and premiering a freestyle on Judge Sole's 130K+ audience channel.

Why 'White Lies' Deserves Your Attention

'White Lies' explores the push-and-pull of love, deception, and self-preservation, reflecting on Yxng Dave's first serious breakup. The lyrics balance vulnerability and bravado, flipping between late-night reflection and nightlife escapism.

Musical Influences

- UK grime-style drums & 808s for energy
- Lo-fi piano melodies for a smooth, emotional vibe
- Latin rhythms & Spanish phrases that highlight Yxng Dave's Colombian heritage

Viral Potential

- "Those hips got me hypnotized" – Perfect for dance challenges & aesthetic vlogs
- "Shake shake like Ice Spice" – A lyric built for meme culture

Crossover Appeal

- Works as a vibey background track for vloggers & lifestyle content
- Strong playlisting potential in UK rap, Latin rap, and lo-fi spaces
- Ties into the breakup, nightlife, and "toxic ex" trends on TikTok & Instagram

What People Are Saying

"How do you not know Yxng Dave, bro listen to his song he's lit" - KSI

"Is swiftly rising in the UK music landscape" - GRM DAILY

"This song means a lot to me because it's real. It's about that first heartbreak where you act like you're good, but deep down, you're not. It's got the emotion, but it still bangs in the club."
